

Vote NO

Initiative 976

*The Olympia City Council
urges a "NO" vote on I-976.*

Why Vote No?

- This measure would result in a major funding loss for City street improvements and repairs.
- Pavement conditions would suffer and planned projects would not be completed.
- The safety and performance of our transportation system would be at risk.

Loss of funding from car tab fees limits our ability to repair streets like the examples below.

Local Funds for Local Streets

The purpose of the \$40 car tab fee is to raise funds at the local level to address our community's specific street repair needs.

What is Initiative 976?

Initiative 976 concerns motor vehicle taxes and fees. If enacted, it would repeal, reduce or remove authority to impose certain vehicle taxes and fees; limit annual motor-vehicle-license fees to \$30, except voter-approved charges; and base vehicle taxes on Kelley Blue Book value.

Street repair is the single largest transportation expense in our City.

Your \$40 car tab fee makes up nearly half the City's street reconstruction and repair budget, about \$1.5M/year. If the measure passes, that funding would go away.

**Typical Total Street
Repair Budget:**
\$3,750,000/yr

Every dollar counts. Thank you for doing your part to fix our streets. **Vote NO on Initiative 976.**
